## Upcoming Adventures and Board Elections

Join the Travel'n Elks for exciting camping adventures and community involvement this spring! Despite a cancellation in February, we're gearing up for an unforgettable April campout at Feather Falls KOA in Oroville, hosted by Paul and Pat March. Contact the March's to secure your spot for April 11-14.

In May, we invite you to experience the beauty of Napa at the Elks Lodge. With 11 spots available, it's the perfect getaway. Reach out to the Watsons to reserve your spot for May 16-19.

Looking ahead to June, we're thrilled to explore Duck Island in Rio Vista. Enjoy stunning views of the delta and take advantage of the clubhouse amenities. We're in need of a wagon master for this trip, so if you're interested in volunteering, now's your chance to shine! Campout dates June 13-16.

Additionally, mark your calendars for March 4th, when board positions will be voted on during our meeting. It's not too late to throw your hat in the ring if you're passionate about supporting the Travel'n Elks community. Join us for a spaghetti dinner at the lodge at 5pm, followed by the meeting at 6:30. Your involvement makes all the difference. Let's make lasting memories together! Lastly let's take a moment to thank all those members in our group who have held board positions, hosted campouts, organized fund raising, helped update our by-laws, help set up meeting room and put back after meeting. It takes a village and you are appreciated, each and every one of you. thank you!
