

19th Hole Golf Club Report

Carmichael Elks Golf Clubhouse

The Carmichael Elks Golf Club members met at the Lodge on Thursday, January 13th to discuss club business and upcoming events. **President Bill Bethell** started the meeting with the Pledge of Allegiance and welcomed all in attendance. We have had on and off wind, rain and super cold mornings for most of January and February. Fortunately our first tournament was dry and while we had to wait for the ice to melt on the greens, it was a joy to be out playing golf again. **Vice President Kristi Ernst** was recently successful in scheduling both of our annual golf club events with the Lodge: the **Annual Picnic on Saturday, August 30th** and our **Annual Awards Dinner on Saturday, December 6th**. Make sure you mark you calendars for both events. **Tournament Chair Georgia Lipphardt** explained our February tournament will also be held at Antelope Greens on February 24th, giving all players another chance to tune up their short game on this low par course. Results of that tournament will be announced in next month's newsletter. This month we will bring out our drivers when we play the two March tournaments that are scheduled for Ancil Hoffman on 3/17/25 and Mather Golf Course on 3/31/25. Signups were taken for these tournaments. We then moved to the results of our first 2025 tournament.

Director Bill Bethell presented the results of the **Antelope Greens Tournament**, held on 1/20/25. We had a 30 minute delay in starting, waiting for the ice on several greens to melt away. We had a great showing as all players were anxious to get back playing golf, resulting in Four Flights of winners. **Check out these low scores!**
