

## 19th Hole Golf Club Report

### Carmichael Elks Golf Clubhouse

Our last meeting of the Carmichael Elks Golf Club was held at the start of our Annual Awards Dinner on December 6, 2025. We began the meeting with a moment of silence for two of our members who passed away in 2025, James Toner and Hugh Dayton. These two gentlemen were long time members who contributed greatly to our Golf Club and who will be remembered through the good times and laughter we shared on and off the course, and with memories we hold dear.

Announcing the members of the Golf Club Board at the Awards dinner was presented by retiring **President, Bill Bethell**. Bill was happy to announce our new **President, Stan Morrison** and the returning Board members, **Vice President Kristi Ernst, Treasurer Jerry Trautman, Handicap Chairman John Simmons, Tournament Chair Georgia Lipphardt and Secretary Jim Warrick**. **President Morrison** then took over the reigns and began his term wishing all attendance a very Happy Holidays and good wishes for a grand New Year in 2026.

**President Morrison** and all the members are happy to give a "Welcome Aboard" to new members **Janet Heppner-Jones** and **Ken McLaren** who joined recently and have been able to play a few tournaments with us in 2025. **Janet and Ken** were long time members with Redwood City Elks and transferred that membership here to the Carmichael Elks Lodge. In addition to Janet and Ken, we also have a brand new member who will be playing his first tournament with us at Antelope Greens, **Jeff Worm**. **Jeff** is a long time member of the Carmichael Elks and recently retired and is excited about having the time to get back out to play golf. The first game of the year is scheduled for Antelope Greens on January 12, 2026. We like to take a somewhat easy start after almost two months off from golf and Antelope Greens is made to fit that bill. Players can elect to ride or walk at this course. This is a good course to practice your short game and there are many Par Three holes available to try for that elusive Hole-In-One shot. Shown below are photos of Hole Number 1 on the left and Hole Number 7 at Antelope Greens. Can anyone guess the Hole Number on the right? If you miss playing in January, we will return to Antelope Greens in February on the 9th.

Interested in Joining the Golf Club? Contact our **President Stan Morrison** (916) 770-5694, or attend one of our monthly meetings, which are held on the first Thursday of the month at 7:00 pm at the Lodge. Visitors are welcome. **Our next meeting is set for February 5, 2026.**
