

Travelin Elks

By the time you see this article we will have had our Lodi Elks trip, I know we are going to have a good time eating out, playing games, going to wineries and just enjoying each other's company. More to follow after the campout.

September we are going to Petaluma Elks on the 21st, 22nd, and 23rd then leave on the 24th. If you are interested in going you need to make your own reservations. They still have spots available go to elks901.org to make reservations. Lots to do there, go to Bodega Bay, Occidental and of course, the town of Petaluma.

We are trying to go to Paradise Elks early in November with details to follow.

We would like to welcome our newest members to our Travelin Elks family, Gary and Lynda Pike also Mike and Renee Russell, they have already been on a couple of campouts.

See you at the next meeting at 6:30pm, September 14th at the lodge. Submitted by Shirley March.
