Travelin Elks

Hope everyone had a great summer. Looks like it's gonna be a nice fall. We should get some more traveling in.

We had a fun trip to the Lodi Elks Lodge, had eight rigs and took up most of their spots. We spent one evening in the lodge and had some libations. Went out to dinner a couple of times. Played games.

Went out to a couple of nice wineries. One of our members were members of the Harney Lane winery so we had a nice private area with charcuterie boards, good wine and good friends. We also went out one evening to Michael David winery they had food trucks, farmers market , music and of course Wine.

Winners of our cornhole game were Brenda Cook and Ed Kinsey.

We are going to Petaluma on September 21,22,23 leave on the 24th. Also, we are going to Paradise Elks on November 1,2,3,4 leave on the 5th. We have 10 sites available, let me know if you're interested. And we will have the Christmas Party in December date and information to follow later.

See you at the meeting October 12, 6:30 at the lodge. Submitted by Shirley March.
